2. I understand that unforeseen cost may be incurred which may increase the cost of the project if contractors discover code violations in the process of bringing the home up to standards that could not be documented in the original inspection (i.e. contractor removes drywall and in the process, discovers mold or code violations behind the walls that must be addressed.) I understand any additional items that are discovered through the rehabilitation process that are unsafe must be correct and I agree to sign additional mortgage(s) to cover these unforeseen costs. _____
3. I understand that if unforeseen or unexpected conditions arise that would delay my project, I will be notified. _____
4. With reasonable notice, Grantee's Name, Division of Energy, Housing and Community Resources (DEHCR), and applicable assignees reserve the right to enter and inspect any in-progress or completed project. _____

"Abusive behavior" includes, but is not limited to, kicking Milltown's staff or contractors off of the property, use of profanity, yelling or any threatening or intimidating actions. Violation of the provision may result in cancellation of the project. Any costs incurred at that point will be the responsibility of the homeowner. _____

10. I understand that in matters concerning the selection of paint colors, types of fixtures and other items not involving a change in the specifications of work write-up, the choice will be mine and I will deal directly with the contractor. _____
